I personally locked them this am to the best of my ability, (really tough to do as it seems they've been forced open and they were left unlocked (not good for the security of the park and mostly according to the Police department and my own experience , this leaves it difficult for the officers when Pursuing Perpetrators (drug addicts, criminals etc), remember De Longpre Park is a Children's Designated Park!

>> Could you please make sure to send your crew out Monday to look at fixing this issue. FYI, there were broken beer bottles, a condom, and other paraphernalia there this am when I in a struggle, locked it. This is finally a Beautiful clean neighborhood that we spent years cleaning up and now it's coveted by many.

Also, to make you aware , whomever your staff is who's locking the Park at night, they are periodically locking transients inside, see picture I took this morning while De Longpre Park was still locked up from last night. This is a liability for the city , so we have to be sure everyone has exited when locking up the park at night.
